Current Score: 123 pts

Real World Example

Idealized Model

You chose **incorrect** assumption "Incorrect Assumption 2" (-1 points)

To earn back some points, select the correct reason for why this assumption is **incorrect**.

- ☒ Correct Reason 1 (selected)
- ☐ Incorrect Reason 2
- ☐ Irrelevant Reason 3

Choose why the assumption was incorrect.

The words "correct" "incorrect" "irrelevant" won't be shown to the user. They are shown here only to illustrate that the selection algorithm will include at least one of each. Data validation
